

FUTURE SCHOOLS KEYNOTE

TUESDAY 15th MARCH 4pm - 5pm AEDT

BEK DUYCKERS

Head of
Learning Futures

Bek Duyckers specialises in leading future focused thought through strategic directions, innovation, positive psychology and staff development. She has contributed her expertise to projects run by Future Schools as well as speaking at state, national and international conferences. Bek is highly regarded within the education community as a forward-thinking leader with a love of learning and a strong work ethic. She can be relied upon to deliver high-quality outcomes in a short amount of time with her diverse knowledge of contemporary education and student and staff wellbeing.

Come hear **Dr Bek Duyckers, Head of Learning Futures (P-12) at Coomera Anglican College** in QLD deliver a Pecha Kucha* style keynote presentation on the Future of Schooling.

Keynotes by Future School educational leaders are designed to:

- Explore thinking about the future we want for education,
- How to respond to current and emerging trends, and
- Address tensions and dilemmas in creating a future of education that empowers all.

*What is Pecha Kucha?

Pecha Kucha's 20x20 presentation format shows 20 images, each for 20 seconds. A presenter has just under 7 minutes to tell a story, with visuals guiding the way. A great way to avoid death by PowerPoint!
