## KEYNOTE

Michael Chiera  
Deputy Principal  
Sacred Heart College WA

Michael Chiera is the Deputy Principal – Inquiry & Innovation at Sacred Heart College, Sorrento (WA). Michael is responsible for keeping the College at the very forefront of the latest innovations in education. This requires a deep understanding of the latest educational trends and learning technologies. Engaging in evidence-informed collaborative inquiry. In his role, Michael is tasked with leading change that will increase engagement in learning and improve student outcomes.

In this Pecha Kucha\* keynote presentation, Michael will explore how school leaders can nurture a future-focused learning community that thinks beyond what we offer now, to improve how we prepare our students for life beyond school.

\*What is Pecha Kucha?

Pecha Kucha's 20x20 presentation format shows 20 images, each for 20 seconds. A presenter has just under 7 minutes to tell a story, with visuals guiding the way. A great way to avoid death by PowerPoint!
