KEYNOTE

Nicole Timbrell
Deputy Principal
Cornish College VIC

Nicole Timbrell is the Deputy Principal - Innovation and Design at Cornish College Victoria. Nicole is highly experienced educational leader who strives to foster agency, spark curiosity and instil a love of learning in her students and colleagues. Nicole has 20 years of experience working in independent, comprehensive and international schools, and possesses a keen interest in educational research, pedagogy and leadership.

In this Pecha Kucha* keynote presentation, Nicole will explore thinking about the future we want for education, how to respond to current and emerging trends, and address tensions and dilemmas in creating a future of education that empowers all.

*What is Pecha Kucha?

Pecha Kucha's 20x20 presentation format shows 20 images, each for 20 seconds. A presenter has just under 7 minutes to tell a story, with visuals guiding the way. A great way to avoid death by PowerPoint!
