

# Future Schools

Wednesday 11th May  
7:30–8:15am AEST

## PBL panel

Kelly Pfeiffer

Thom Markham

Kyle Wagner

Kelly Pfeiffer is human network architect, dedicated educator, author, blogger and presenter. Kelly is the point person for PBL Global in Australia and an innovator in distance education PBL. She co-created the widely-adopted Dark Sky PBL unit, nominated for the Dark Sky Defender award through the International Dark-Sky Association (IDA).

Thom Markham is a PBL pioneer, positive psychologist, author, and advocate for global good. For over 25 years he has coached teachers worldwide to help them transform education into a 'human centered learning' enterprise that integrates strengths, wellbeing, passion, purpose, authentic challenge, and academic excellence through high quality project-based work.

Kyle Wagner works internationally with schools to design deep, meaningful, community centered learning experiences that create the kind of emotionally, socially and globally aware citizens our world needs.. Kyle is currently based in Hong Kong and previously worked as an educator at High Tech High.
