

Future Schools- Term 1 Wrap Up

What a term it has been!

As we approach the final sprint towards the term break, we wanted to reflect on the amazing progress we have achieved collectively within our learning community.

We hope that the events we had on offer during term one provided you with some stretch, networking opportunities, new ideas and inspiration. If you missed any of our online events, you can access the recordings via our website. Just scroll down to the event tile and click to watch.

With so many wonderful offerings both online and in-person, it is hard for us to pick just one favourite highlight so instead, we will re-cap on six of the best moments from Term 1:

- Chris Trodden joined our team as our Brand & Marketing Manager
- Future Schools got a new name and look
- We visited over 25 schools across 4 States and Territories
- We welcomed 40 educators from across Australia to our Victorian State Tour
- We hosted 18 online events for staff and leadership teams
- We welcomed new member schools from across five States and Territories.

SAVE THE DATE

State Tour: Newcastle Monday 6 & Tuesday 7 June. Places are limited.

[Register for Newcastle State Tour](#)

Each term we host a two-day 'State Tour' visiting innovative schools in different states across Australia. These tours give educators the opportunity to explore and consider how other schools are approaching their strategic and entrepreneurial vision, how student voice/agency is being practised, how personalised learning is realized and how play and freedom are incorporated into each student's day while networking with like-minded peers within our learning community.

At our recent Victoria State Tour, over 40 educators from 10 member schools joined us for a tour of five schools across metro and regional Victoria.

LOOKING AHEAD

Term 2 Online Events for all school staff

We have some exciting events planned for Term 2 for all school staff. Calendar invites for all online events are sent a week prior. If you are not yet on our mailing list for events, simply send us a message at info@futureschools.education requesting calendar invites for online events.

Semester 2 for Leadership Teams

Leading an Adaptive School Culture (6 sessions)

Our six-part 'Leading an Adaptive School Culture' series is crafted to guide leaders and orientate their change journey. The series is flexible and designed to support leaders to build a flexible and ever-evolving Adaptive Culture in their organisation.

Semester 2 begins on Monday 1 August.

Future Leaders, New Paradigms (4 sessions)

Are you an aspiring leader with an interest in exploring the emerging trends in the future of education? Future Leaders, New Paradigms aims to share the collective wisdom on the topic of the 'future of schooling', from the perspective of educational leaders in schools across Australia. Semester 2 starts on Thursday 18 August.
