WEBINAR

Kieran Murrihy
Futurist & Founding Director

Join Future Schools in conversation with Kieran Murrihy from [Crazy Ideas College](#). This conversation will explore entrepreneurship and purpose driven enterprise powered by young people.

Kieran is the founder of Crazy Ideas College. Launched in 2016, CIC has had the pleasure of seeing thousands of young Australians step up and make their mark. Kieran is a futurist with deep expertise in place-based revitalisation.

Crazy Ideas College is on a mission to equip, connect and unleash young people to do crazy good in the world. CIC's pioneering approach excels at:

- Equipping young people with the skills that are highly valued by business and community
- Forming meaningful connections between young people, business and community
- Supporting young people to lead, innovate and bring bold and inspired ideas to life
