

Perth College
ANGLICAN SCHOOL FOR GIRLS

VIRTUAL SCHOOL TOUR

Perth College WA

Friday 26th August

1:00 -1:45pm AEST

11:00-11:45am AWST

Sparc is a Perth College initiative, blending a unique, future-focused framework designed to prepare students with the knowledge, skills, attributes and values that will see them flourish now and into the future.

Perth College is leading a number of initiatives to prepares young women for the challenges of the future, including solving problem that haven't yet been anticipated, preparing for jobs that haven't yet been created and preparing for technologies that aren't yet available.

Join Future Schools in conversation with the team at Perth College as we discuss programs that aim to equip its students with the knowledge, skills, attributes, and values that will see them flourish into the future.
