Future Schools

KEYNOTE

Pip Cleaves

Deputy Principal Strategic Initiatives

Deputy Principal – Strategic Initiatives at NSW Department of Education. Pip works across four schools in the Hunter region, supporting teachers and schools to build future focused learning opportunities for students.

In this Pecha Kucha* keynote presentation, Pip will explore thinking about the future we want for education, how to respond to current and emerging trends, and address tensions and dilemmas in creating a future of education that empowers all.

*What is Pecha Kucha? Pecha Kucha's 20x20 presentation format shows 20 images, each for 20 seconds. A presenter has just under 7 minutes to tell a story, with visuals guiding the way.

A great way to avoid death by PowerPoint!
