Future Schools

WEBINAR

Wil Massara

CEO & Founder of Youth Leadership
Academy Australia (YLLA)

In February 2018 – at the age of just 15 – Wil launched Youth Leadership Academy Australia (YLAA) with the mission of empowering future leaders. Led by youth, for youth, YLAA seeks to build a positively sustainable future through youth leadership by running events around Australia which are designed and executed by youth, for youth. These transformative leadership curricula include State Youth Leadership Conferences, School Programs and Community Engagement Programs.

Join Future Schools in conversation with Wil, as we discuss his vision of building a positively sustainable future through youth empowerment and leadership.

Wil is a keynote speaker, social entrepreneur and youth advocate/consultant. He is the recipient of several awards, including the 'Regan Hillyer International 2018 Young Philanthropist Scholarship' and 'WA Youth of the Year Finalist'.
